

Strapping

Polypropylene Hand Strapping

Polypropylene strapping is an economical way of securing pallets and bundles. Available with cardboard or plastic cores. Polypropylene strapping can also be printed with your company logo or design.

Stock Ref	Break Strength (kgs)	Size
05001	120	12mm x 2000m
05002	200	12mm x 1500m
05003	270	12mm x 1200m
05004	320	12mm x 1200m

Woven Polyester Strapping

Polyester strapping has a greater breaking strain and less tendency to expand when applied compared to polypropylene strapping.

Stock Ref	Break Strength (kgs)	Size
05050	410	13mm x 1000m
05051	480	16mm x 850m
05052	540	19mm x 600m

Pre-Printed Polypropylene Hand Strapping

Polypropylene strapping with a range of pre-printed messages eliminating the need for extra labels.

Stock Ref	Print	Break Strength (kgs)	Size
05010	Do Not Drop	150	12mm x 2000m
05011	Handle With Care	150	12mm x 2000m
05012	Fragile	150	12mm x 2000m
05013	Security	150	12mm x 2000m
05014	Urgent	150	12mm x 2000m

Custom Printed Polypropylene Strapping

Promote your brand and company logo with our custom printed strapping. Simply send us your artwork or even a letterhead and we will provide you with a proof for your approval prior to printing.

05022	Metal Seals Serrated	12 x 32	1000
05023	Plastic Buckles	12	1000

Galvanised Steel Buckles

Galvanised steel buckles for use with polypropylene and polyester strapping.

Stock Ref	Size (mm)	Pack Qty
05061	13	1000
05062	16	1000
05063	19	1000

Hand Strapping Tools

We provide a range of tensioners, sealers and combination tools for use with polypropylene and polyester strapping.

Stock Ref	Description
05030	12mm Strapping Sealer
05031	12-15mm Strapping Tensioner
05032	12mm Light Duty Combination Tool
05033	12mm Heavy Duty Combination Tool

Strapping Stand and Trolleys

Strapping dispensers are designed to speed up and simplify the use of plastic strapping. They also incorporate an efficient braking system to prevent strap over-run.

Stock Ref	Description
05040	Heavy Duty Strapping Dispenser Stand
05041	Heavy Duty Mobile Dispenser Trolley & Stand

Strapping Starter Kits

These economic strapping starter kits are ideal for small users. The strapping can be applied by hand using the buckles provided in the kit.

Stock Ref	Description	Strapping
05130	12mmx800m strapping + 300 seals	Polypropylene
05131	12mmx800m strapping + 200 buckles	Polypropylene
05132	16mmx200m strapping + 80 buckles	Polyester

Polypropylene Machine Strapping

Polypropylene strapping for use with semi-automatic and fully-automatic strapping machines. This strapping can also be printed with your company logo or design.

Stock Ref	Size (m)
05070	9mm x 4000m
05071	12mm x 3000m

Steel Strapping - Ribbon Wound

Steel strapping is available ribbon or oscillated wound. With a high breaking strain this strapping is ideal for securing heavy loads.

Stock Ref	Break Strength (kgs)	Size
05090	518	13mm x 334m
05091	652	16mm x 334m
05092	775	19mm x 334m
05150	Mobile coil holder 13-19mm (ribbon wound)	

Steel Strapping - Oscillated Wound

Stock Ref	Break Strength (kgs)	Size
05100	518	13mm x 960m
05101	652	16mm x 763m
05102	775	19mm x 643m
05151	Mobile coil holder 13-19mm (oscillated wound)	

Steel Strapping Seals

A range of strapping seals for use with steel strapping.

Stock Ref	Size (mm)	Pack Qty
05110	13 x 25	1000
05111	16 x 25	1000
05112	19 x 25	1000

Steel Strapping Tools

We provide a range of tensioners, sealers and combination tools for use with steel strapping.

Stock Ref	Description
05120	13-19mm Steel Strapping Tensioner
05121	13mm Steel Strapping Sealer
05122	16mm Steel Strapping Sealer
05123	19mm Steel Strapping Sealer
05124	13-16mm Steel Strapping Combination Tool
